

## Topo 1: The map to the "Lovely Canyon"

You will find the signed parking lot by driving to the village of Basaseachic, which is located about 2 hours west of Cuauhtémoc. Drive into the village and follow the main street to the Parque Nacional Cascada de Basaseachic. After approximately 2 kilometers you will reach the parking lot. From here it's about 10 minutes to the area and one day to El gigante :-)
